

Dear Richard, Thaddeus, and Robert:

Thank you so much for spending your Sunday morning with us and for sharing information about A Better Tomorrow.

I love a name or tag line that is optimistic for the future! Enclosed you will find a check for \$150.00 for clothes for Robert. I hope that his new garments will help him get a good start for his future.

Richard, please send me a schedule of events so I can keep in contact with your organization for young people.

Sincerely,

Deborah Blake
